

One operating picture. One command intent. Every action traceable.

FIRST RESPONDERS & EMERGENCY MANAGEMENT

OPERATIONAL PRESSURE

Multi-agency incidents create rapidly changing maps, hazards, observations and resource decisions. Command must distinguish confirmed evidence from assumptions.

QUANTEON RESPONSE

Quanteon aligns live sensing, responder reports, infrastructure context and mission status with explicit confidence, human authority and a complete decision record.

MISSION PORTFOLIO

Illustrative mission patterns · platform and payload subject to site qualification

Rapid incident-site twin

Mapping · LiDAR · EO/IR

Hazard corridor reconnaissance

Gas · radiation · thermal

Infrastructure damage assessment

Zoom visual · thermal · LiDAR

Responder observation fusion

Photos · voice · location · task status

IDEAL CUSTOMER PROFILE

- Emergency-management directors
- Incident command and public safety
- Civil protection, UAS and technical rescue teams

START WITH ONE MISSION

Baseline one damage-assessment or hazardous-area reconnaissance workflow in a tabletop and field exercise.

ASSURED MISSION BASELINE

10 working days · CHF 25k fixed · no hardware purchase

SCOPE A MISSION
